10 I consulted the I. G. P. re. transferring placing Mr Daraka on Stl. duty for a short time. The I. G. P. is agreeable to spare his services, and make temporary arrangements in the Depte. If agrd, the I. G. P. will be requested to relieve Mr Daraka before the 15th or 16th and ask the latter to report himself for duty to the Pte Secy to H. H.

25 There can be no objection to Mr. Darasha using his own car, with Government House petrol - instead of using the Government House Car as well as petrol.

26 The only point is whether Mr. Darasha is likely to claim any transport charges for taking his car from Shimoga to Mysore. The question has not been however specifically raised by him, and it is presumed that Mr. Darasha intends taking his car to Mysore for his own convenience in any case, and the only point for orders is his using Government House petrol for official journeys.

Letter No.C.590 dated 19th October 1937 from the Private Secretary to His Highness the Maharaja of Mysore to the Chief Secretary to Government.

.....

I am in receipt of your D.O. letter No.1013, of today's date regarding the approaching visit of the International Educational Delegation who are visiting Mysore next month, and note that the Delegation, making a party of eight, will be guests at Government House on the 3rd, 4th and 5th proximo.

I presume that, if Mr. McAlpine accompanies the Delegation, he and his wife (if she accompanies him) will also be made guests at Government House.

I presume also that it will be desirable that the Vice-Chancellor, Professor Wadia, as President of the Mysore State Education League, and Mr. and Mrs. Rollo should be invited to one or more meals at Government House to meet the Delegation.

I might mention that the visit will coincide with that of the Military Advisor-in-Chief, Indian States Forces, who will, I understand, be accompanied by his Staff Officer and the Chief Commandant. I presume that, in accordance with the arrangements arrived at last year, the Military Adviser-in-Chief and the Officers accompanying him will all be made guests at Government House. This will involve a party of 11 or 12 staying in the house for three days, with temporary additions of three or four. I have thought it well to place all these facts before the Government to make sure that there is no mis-understanding about the extent of the entertainment at Government House.

I should be very glad if orders could be passed allowing for the continuance of Mr. Safi Darashah's special duty until the end of the first week of November to enable him to look after this large party and to give him time to help in closing up the account

You may perhaps be interested in this connection to peruse th

appended extract from a letter just received from Sir Girija-shankar Bajpai:- "In young Darashah you have, if I may say so, a "most thoughtful and efficient manager of the household."
